

All Saints' C of E Primary School

Mobile phone policy

2024-2027

OUR VISION

Our vision is to be a nurturing and inclusive school, proudly reflecting the diversity of our community, where every child is treated as an individual and no matter what their starting point will achieve their true potential within a safe and secure environment.

By the end of their journey, we want our children to be respectful, resilient role-models, having a self-belief in themselves and their abilities, ready to go from strength to strength.

Our Values

All Saints' has an ethos built around our core Christian values of Compassion, Koinonia (community) and Love. Our keys aims are linked to scripture (See full mission statement), culminating in our strap line of '*Growing Stronger Together in God's Love.*'

Compassion	Be kind and compassionate to one another, learning from our mistakes and forgiving others for theirs.
Koinonia (community)	Value and celebrate diversity, welcoming families from all faiths and backgrounds.
Love	The love within our school is one of family and friendship, enabling each child to grow and flourish.

Part of our All Saints' vision is [to be a nurturing and inclusive school](#) and as a result, we are committed to providing our pupils with a broad, balanced and aspirational curriculum, which is accessible to all.

As a Church of England school, we understand the **love** of God is boundless. We recognise the unique individuality of each person, *valued as one of God's children*, allowing them to **flourish no matter what their starting point and achieve their true potential within a safe and secure environment**, taking into account pupils' varied life experiences and needs, providing equal opportunities for all pupils, whatever their age, disability, race, religion or belief, gender / gender identity or socio-economic background, to ensure that every child really does matter.

We aim to foster a sense of **community** and belonging- 'every one of us is needed and valued and each person is important to the whole'. We aim to develop a culture of **inclusion** and **diversity** in which success is celebrated and all those connected to the school feel proud of their identity and able to participate fully in school life. We will tackle discrimination by the positive promotion of equality and the creation of an environment which champions respect for all.

1. Introduction and aims

At All Saints' C of E Primary School, we recognise that mobile phones and similar devices, including smartphones, are an important part of everyday life for our pupils, parents/carers and staff, as well as the wider school community.

Our policy aims to:

- Promote safe and responsible phone use
- Set clear guidelines for the use of mobile phones for pupils, staff, parents/carers, visitors and volunteers
- Support the school's other policies, especially those related to child protection and behaviour: Safeguarding Statement & Child Protection Policy; Positive Behaviour Policy; PSHE & RSE Policies; Anti-Bullying Policy; Complaints Policy; Online Safety Policy, Acceptable Use Agreement and Staff Code of Conduct Policy.

This policy also aims to address some of the challenges posed by mobile phones in school, such as:

- Risks to child protection
- Data protection issues
- Potential for lesson disruption
- Risk of theft, loss, or damage
- Appropriate use of technology in the classroom

Note: throughout this policy, 'mobile phones' refers to mobile phones and similar devices.

2. Relevant guidance

This policy meets the requirements of the Department for Education's non-statutory [mobile phone guidance](#) and [behaviour guidance](#). Further guidance that should be considered alongside this policy is [Keeping Children Safe in Education](#).

3. Roles and responsibilities

3.1 Staff

All staff (including teachers, support staff and supply staff) are responsible for consistently enforcing this policy.

Volunteers, or anyone else otherwise engaged by the school, must alert a member of staff if they witness, or are aware of, a breach of this policy.

The head teacher and named DSL, Angela Filsell, is responsible for monitoring the policy every 3 years, reviewing it, and holding staff and pupils accountable for its implementation.

Staff will address any questions or concerns from parents/carers quickly, and clearly communicate the reasons for prohibiting the use of mobile phones.

4. Use of mobile phones by staff

The DfE's non-statutory mobile phone guidance says that staff should not use their own mobile phone for personal reasons in front of pupils throughout the school day.

4.1 Personal mobile phones

Staff (including volunteers, contractors and anyone else otherwise engaged by the school) are not permitted to use their personal mobile phone, while during contact time. Use of personal mobile phones must be restricted to non-contact time, and to areas of the school where pupils are not present (such as the staffroom).

There may be circumstances in which it's appropriate for a member of staff to have use of their phone during contact time for personal reasons. For instance (this list is non-exhaustive):

- For emergency contact by their child, or their child's school
- In the case of acutely ill dependents or family members

The headteacher will decide on a case-by-basis whether to allow for special arrangements.

If special arrangements are not deemed necessary, school staff can use the school office number 020 8540 3004 as a point of emergency contact.

4.2 Data protection

Staff must not use their personal mobile phones to process personal data, or any other confidential school information, including entering such data into generative artificial intelligence (AI) tools such as chatbots (e.g. ChatGPT and Google Bard).

4.3 Safeguarding

Staff must not give their personal contact details to parents/carers or pupils, including connecting through social media and messaging apps.

Staff must avoid publicising their contact details on any social media platform or website, to avoid unwanted contact by parents/carers or pupils.

Staff must not use their personal mobile phones to take photographs or recordings of pupils, their work, or anything else which could identify a pupil. If it's necessary to take photos or recordings as part of a lesson/school trip/activity, this must be done using school equipment.

Staff are permitted to connect to the school WiFi, on their own devices. Searches are monitored and filtered and must be inline with the professional standards expected, as set out in the Staff Code of Conduct.

4.4 Using personal mobiles for work purposes

In some circumstances, it may be appropriate for staff to use personal mobile phones for work. Such circumstances may include, but aren't limited to:

- To issue homework, rewards or sanctions

- To use multi-factor authentication
- Emergency evacuations
- Supervising off-site trips
- Supervising residential visits

In these circumstances, staff will:

- Use their mobile phones in an appropriate and professional manner, in line with our staff code of conduct
- Not use their phones to take photographs or recordings of pupils, their work, or anything else which could identify a pupil
- Refrain from using their phones to contact parents/carers. If necessary, contact must be made via the school office

4.5 Work phones

Some members of staff are provided with a mobile phone by the school for work purposes.

Only authorised staff are permitted to use school phones, and access to the phone must not be provided to anyone without authorisation.

Staff must:

- Only use phone functions for work purposes, including making/receiving calls, sending/receiving emails or other communications, or using the internet
- Ensure that communication or conduct linked to the device is appropriate and professional at all times, in line with our staff code of conduct.

4.6 Sanctions

Staff that fail to adhere to this policy may face disciplinary action.

See the school's staff Disciplinary Policy for more information.

5. Use of mobile phones by pupils

The DfE's non-statutory mobile phone guidance says that pupils should not use mobile phones throughout the school day.

Pupils **should not** use their mobile phones during the school day, including during lessons, in the time between lessons, at breaktimes and at lunchtimes.

- Pupils are allowed to bring mobile phones into school if they are walking to or from school without parents (Year 6 only)
- The phone must be handed in to class teachers to store securely and must be switched off
- The phone is left at the owner's own risk and school is not responsible for loss or damage
- Phones should not be taken on school trips/visits

5.1 Use of smartwatches by pupils

The DfE's [non-statutory mobile phone guidance](#) includes in the term 'mobile phones' all devices with communications and smart technology that the school chooses to include in their policy.

Smartwatches are wristwatches with smart technology in them. They can be used to tell the time, send and receive text and voice messages, make calls and listen to music. Some smart watches have wellness and health-related features. **These are not allowed to be worn by pupils.**

5.3 Sanctions

If pupils are found to be using mobile devices on school site, they may be confiscated by the Headteacher. The phone will be returned to the child's parent/carer, at the end of the school day. Schools are permitted to confiscate phones from pupils under sections 91 and 94 of the Education and Inspections Act 2006

Sanctions for mobile phone will link, and be in line with, our school's wider Positive Behaviour Policy.

Staff have the authority to search pupils' phones in specific circumstances, as set out in the DfE's guidance on searching, screening and confiscation. The DfE guidance allows a staff member to search a pupil's phone if there is a good reason to do so (such as having reason to believe the phone contains pornographic images, or if it is being/has been used to commit an offence or cause harm to another person. This will be done by the head teacher, or delegated to a senior leader, by them.

Certain types of conduct, bullying or harassment can be classified as criminal conduct. The school takes such conduct extremely seriously and will involve the police or other agencies as appropriate.

Such conduct includes, but is not limited to:

- Sexting (consensual and non-consensual sharing nude or semi-nude images or videos)
- Upskirting
- Threats of violence or assault
- Abusive calls, emails, social media posts or texts directed at someone on the basis of someone's ethnicity, religious beliefs or sexual orientation

6. Use of mobile phones by parents/carers, volunteers and visitors

Parents/carers, visitors and volunteers (including governors and contractors) must adhere to this policy as it relates to staff if they are on the school site during the school day.

This means:

- Not taking pictures or recordings of pupils, unless it's at a public event (such as a school fair), or of their own child
- Using any photographs or recordings for personal use only, and not posting on social media without consent
- Not using phones in lessons, or when working with pupils

Parents/carers, visitors and volunteers will be informed of the rules for mobile phone use when they sign in at reception or attend a public event at school.

Parents/carers or volunteers supervising school trips or residential visits must not:

- Use their phone to make contact with other parents/carers
- Take photos or recordings of pupils, their work, or anything else which could identify a pupil

Parents/carers or volunteers supervising trips are also responsible for enforcing the school's policy for pupils using their phones, as set out in section 5 above, but must refer any sanctions to a member of staff, as they do not have the power to search or confiscate devices.

Parents/carers must use the school office as the first point of contact if they need to get in touch with their child during the school day. They must not try to contact their child on their personal mobile during the school day.

7. Loss, theft or damage

Pupils bringing mobile phones to school must ensure that the phones are appropriately labelled.

Pupils must secure their mobile phones as much as possible, including using passwords or pin codes to protect access to the phone's functions. Staff must also secure their personal phones, as well as any work phone provided to them. Failure by staff to do so could result in data breaches.

The school accepts no responsibility for mobile phones that are lost, damaged or stolen on school premises or while pupils are travelling to and from school.

If our school confiscates a phone from a pupil, they will be stored in a locked cabinet within the school office.

Lost phones should be returned to the school office. The school will then attempt to contact the owner.

8. Monitoring and review

The school is committed to ensuring that this policy has a positive impact on pupils' education, behaviour and welfare. When reviewing the policy, the school will take into account:

- Feedback from parents/carers and pupils
- Feedback from staff
- Records of behaviour and safeguarding incidents
- Relevant advice from the Department for Education, the local authority and any other relevant organisations

If there are any concerns regarding this policy, these should be brought to the attention of Angela Filsell, Headteacher and DSL, in a timely manner.
