

Newsletter Week Ending 28th November

Dear Family,

I do hope that you are well!

Here at school, the sounds of Christmas are starting to appear! Along the corridors and from the halls, the sound of beautiful singing is being heard. It is such an exciting and joyful time!

On Monday we are looking forward to hosting Craig from The Dons Local Action Group at our annual Toy Service. We are asking families to donate new and packed toys for the Toy Service as we do every year to be donated to The Dons to support local families in need at this very expensive time of the year. The children will be learning from Craig the importance of the DLAG charity. It is important that we instil a sense of kindness and generosity in the children – koinonia in action! Monday will also signify the first lighting of our advent wreath and we will be exploring the true meaning of Christmas over the coming weeks.

Well done to our eco-warriors this week, who did some lovely crocus planting at the Haydon's Road Park. We can't wait to see these start to grow in the spring! Our lovely Year 1 children enjoyed a fabulous event held in school when they took part in a Good Samaritan Workshop, the children created freeze frames to help them gain a deeper understanding into the parable. Miss Clarke was also very impressed with the Comet Drama Club – they put on a wonderful performance of Cinderella! Just a few highlights of a very busy week! Growing Stronger Together in God's Love

A reminder that if you require longer discussions with teachers that you make an appointment with them via the office. Longer conversations at the door can pose safeguarding risks as staff may be distracted when welcoming or dismissing children.

Thank you!

We ask the all families familiarise themselves with the school's Code of Conduct also.

IMPORTANT WRAPAROUND INFORMATION

Our Wraparound Care Provision has become increasingly busy, even more so since September. There are times when we are completely full and we have had to unfortunately call parents/carers to make alternative arrangements for their child/ren. We strongly encourage families to book places in advance to avoid this happening. If you no longer require your booking, we can move the booking to an alternative date if given **24 hours** advanced notice. **We will not be offering refunds for cancelled bookings.**

We would very much like to keep Breakfast Club and After School Club bookable on an ad hoc basis, so that they are available to everyone, if and when, they need them. To be able to do this, places will stay live if there is space available but it is important that you book by the cut off deadlines. This is to ensure that we have enough staff covering the clubs.

The cut off times are 7am for Breakfast Club and 2pm for After School Club.

Any places booked after these times will incur a late booking fee of £4.00.

We are a healthy school!

Each week we attach the school dinners menu. We encourage as many children as possible
