

Accessibility plan

2025-2026

OUR VISION

Our vision is to be a nurturing and inclusive school, proudly reflecting the diversity of our community, where every child is treated as an individual and no matter what their starting point will achieve their true potential within a safe and secure environment.

By the end of their journey, we want our children to be respectful, resilient role-models, having a self-belief in themselves and their abilities, ready to go from strength to strength.

Our Values

All Saints' has an ethos built around our core Christian values of Compassion, Koinonia (community) and Love. Our key aims are linked to scripture (See full mission statement), culminating in our strap line of '*Growing Stronger Together in God's Love.*'

Compassion	Be kind and compassionate to one another, learning from our mistakes and forgiving others for theirs.
Koinonia (community)	Value and celebrate diversity, welcoming families from all faiths and backgrounds.
Love	The love within our school is one of family and friendship, enabling each child to grow and flourish.

The plan will be made available online on the school website, and paper copies are available upon request.

All Saints' CE Primary School is also committed to ensuring staff are trained in equality issues with reference to the Equality Act 2010, including understanding disability issues.

The school supports any available partnerships to develop and implement the plan.

Our school's complaints procedure covers the accessibility plan. If you have any concerns relating to accessibility in school, the complaints procedure sets out the process for raising these concerns.

We have included a range of stakeholders in the development of this accessibility plan, including staff and governors of the school.

1. Aims

Schools are required under the Equality Act 2010 to have an accessibility plan. The purpose of the plan is to:

- Increase the extent to which pupils with disabilities can participate in the curriculum
- Improve the physical environment of the school to enable pupils with disabilities to take better advantage of education, benefits, facilities and services provided
- Improve the availability of accessible information to pupils with disabilities, their parents and parents with disabilities.

At All Saints' CE Primary School we aim to treat all pupils fairly and with respect. This involves providing access and opportunities for all pupils without discrimination of any kind.

2. Legislation and guidance

This document meets the requirements of schedule 10 of the Equality Act 2010 and the Department for Education (DfE) guidance for schools on the Equality Act 2010.

The Equality Act 2010 defines an individual as disabled if they have a physical or mental impairment that has a 'substantial' and 'long-term' adverse effect on their ability to undertake normal day to day activities.

Under the Special Educational Needs and Disability (SEND) Code of Practice, 'long-term' is defined as 'a year or more' and 'substantial' is defined as 'more than minor or trivial'. The definition includes sensory impairments, such as those affecting sight or hearing, and long-term health conditions such as asthma, diabetes, epilepsy and cancer.

Schools are required to make 'reasonable adjustments' for pupils with disabilities under the Equality Act 2010, to alleviate any substantial disadvantage that a pupil with disabilities faces in comparison with a pupil without disabilities. This can include, for example, the provision of an auxiliary aid or adjustments to premises.

3. Action plan

This action plan sets out the aims of our accessibility plan in accordance with the Equality Act 2010.
