Dear Families,

This week has been full of enriching experiences and wonderful opportunities for our children to shine ✨. Year 3 enjoyed a fantastic trip to Southwark Cathedral, where they took part in a special workshop all about the Romans. The children learned about Roman life and explored some of the different Roman gods, discovering what they represented and why they were important to people in Roman times 🏛️. They also had great fun creating their own Roman-inspired mosaics, carefully arranging colourful pieces to design beautiful patterns just like the Romans did in their homes and buildings 🎨.

Across the school, children have also been busy organising their sponsored events for our Lenten Appeal, which will take place next week. We are so proud of the initiative they are showing as they think about how they can support others during this important season of reflection and compassion 💜. A special mention must also go to Mr Higgins' Children's Choir, who gave a fabulous performance to parents this week — their confidence, enthusiasm and beautiful singing made it a truly memorable occasion 🎵🌟.
