HEAD TEACHER

Dear Families,

A huge welcome back to the Summer Term — and what a start it has been!

It certainly feels like we've experienced all four seasons in one week (sometimes in one day!), but that hasn't dampened the positive spirit across the school. Thank you to all our families for your generous support of the Lenten Appeal — we are so grateful for your kindness and will be announcing the total very soon. This new term brings with it a real sense of hope and joy, and we are excited for all that lies ahead. A very warm welcome also to our new Nursery friends — we are so pleased to have you join our school family.

HIGHLIGHTS of THE WEEK

HIGHLIGHTS of THE WEEK

Year 3 have been learning about Hinduism and the belief that Brahman is the divine presence behind everything in the world. The children explored the idea that all living things are connected and that showing truth, compassion, and self-control helps create good karma.

To help understand this, the class created a "Living Web" using wool to show how everything in the world is connected. They also made artwork with Brahman represented as light in the centre, drawing people, animals, and nature around it to show how everything links back together.
