**HEAD
TEACHER**

Dear Families,

This week has been full of curiosity, energy and fantastic learning across the school. Our Nursery children have been exploring the fascinating world of metamorphosis, learning about how animals change as they grow. They have been carefully observing tadpoles and caterpillars, asking thoughtful questions and showing real awe and wonder as they begin to understand life cycles. We are very grateful to the parent who kindly donated the tadpoles, and we look forward to watching our butterflies emerge over the coming weeks. A huge well done to all of our pupils who took part in our Mini Marathon event this week. The atmosphere was incredible, with children showing determination, resilience and great team spirit as they completed their runs.

HIGHLIGHTS of THE WEEK

Nursery have been learning all about metamorphosis and the changes some animals go through as they grow up. We have been lucky enough to have some tadpoles donated to us by a kind parent and we have used our donations to buy a set of caterpillars for each class. We can't wait to watch our butterflies hatch.
