Dear Families,

As you may have seen on our Instagram page last week, we have been filled with pride and celebration as we share some fantastic news with our school community 🌟🎉. We are delighted to have been awarded the Silver Healthy Schools Award in recognition of our commitment to healthy eating, exercise and positive mental wellbeing 🥗🏃♀️🧠. This is a wonderful achievement for everyone, and we are already looking ahead with excitement to our next goal — going for Gold! 🏆🌟

We are also incredibly proud of our Pupil Voice group, who represented our school at Merton's Children's Parliament 🏛️. They spoke with confidence and maturity as they discussed important issues such as the cost of living, anti-bullying and ways to improve street lighting in the community 💬💡. They truly did us proud and embodied our values in action 🤝👏

Well done to all — it has been a week of achievement, responsibility and inspiration 🌈🌟!

HIGHLIGHTS of THE WEEK

This week the children took part in Children's Parliament. Asji stated 'I got to speak about how the cost of living is very expensive and if you can't afford things you won't have a house or water and it's harder to survive'.

The children also discussed anti bullying and how their school tackles this. Shameena shared, 'it was interesting knowing what other schools do and we can take different ideas from those children'.
