Dear Families,

This week has been full of wonder and excitement, especially in Early Years, where the children have loved watching the signs of new life all around them 🐝🦋🌱. There has been great excitement as the ducklings cracked open and have continued to grow, while the caterpillars have transformed into beautiful butterflies through their incredible metamorphosis. These special moments have sparked so much curiosity, joy and awe in the children as they learn more about the world around them ✨.

We were also treated to a lovely Collective Worship led by St Thomas Reception Class 🙏❤️. The children shared thoughtful ideas about how we can be a good friend and live out our school value of love through kindness, care and helping others. They spoke so confidently and bravely, and we were all incredibly proud of them 🌈☀️.

A huge well done as well to everyone who has taken part in Walk to School Week 🚶♀️🚶♂️☀️. It has been wonderful to see so many children making healthy, active choices and enjoying the sunshine along the way 🌞😊.

Have a wonderful half term and stay cool in the sunshine!

HIGHLIGHTS of THE WEEK

The Reception children have had a very exciting week! All five of the duckling eggs hatched, and we have loved watching how much the ducklings have grown each day. One of the highlights of the week was giving them their very first swim, which the children were thrilled to see. The children have shown such great kindness, care, and gentleness towards the ducklings, and it has been wonderful to watch their enthusiasm and curiosity.

We were also delighted when we arrived at school on Monday to discover butterflies emerging from their cocoons in our butterfly bags. The children enjoyed observing the butterflies closely over the next few days and learning about their life cycle. At the end of the week, we proudly released them into the garden, which was a very special moment for everyone.
