Dear Families,

It has been another busy and exciting week at All Saints'. Our Early Years children had a fantastic time taking part in a Junior Tennis coaching session. The children showed great enthusiasm, listened carefully to instructions and demonstrated some impressive tennis skills. It was wonderful to see so much confidence, teamwork and enjoyment as they tried something new.

Today, we also celebrated World Music Day across the school. Children, staff and classes came together to perform and share their musical talents, creating a wonderful atmosphere of joy and celebration. From singing and instrument performances to class showcases, it was a fantastic opportunity to recognise the importance of music in bringing people together and building confidence. We were incredibly proud of everyone who took part. The hot weather has certainly arrived this week, and we would like to thank parents for ensuring children have water bottles, sun hats and appropriate clothing for the warm conditions. Despite the heat, the children have continued to work hard and engage brilliantly in their learning.

We wish all our families a wonderful weekend.

As part of our Dear Zoo topic on pets we have been learning what pets need to stay healthy. We were so lucky that Chantel and Jess came to see us from a local veterinary surgery. They showed us how to use stethoscopes to listen for a heart beat, how they dress for surgery and how to apply plasters and bandages to pets in need. What a fun morning of learning our Christian values of Koinonia and compassion.
