Reception Health Questionnaire

Dear Family,

Each year Merton School Nursing Team send out a health questionnaire to Reception class parents, this year it can be accessed via the Health Matters website:

https://surveys.clch.nhs.uk/SHQ_Reception_Merton

In following the Healthy Child Programme recommendations from the Department of Health, they aim to offer a series of screening programmes including individual health reviews along with health promoting activities.

All health-related information is kept confidential but in some instances (i.e. vision and hearing screening results and some medical conditions that require management in school, i.e. asthma) this may be shared on a need-to-know basis with some other services including the school, to be able to better support the child in school. The school nurse will contact you to discuss the need to share other health-related information where relevant.

Please fill in this questionnaire, if you have any queries please come to the Office.

Yours Sincerely,

Mrs Angela Filsell
Acting Headteacher

All Saints' – Aiming for excellence, through working together in a Christian environment.
