

All Saints' C of E Primary School

Admission Policy 2018/19

All Saints Church of England Primary School has a distinctive Christian ethos which is at the heart of this school and provides an inclusive, caring and supportive environment where children learn and flourish in a setting shaped by Christian values. We welcome applications from all members of the community and we ask all parents to respect the Christian ethos of our school and its importance to our community.

All Saints' is a Church of England Voluntary Aided School split across two sites in South Wimbledon. Early Years provision will all be on the East Road site. Following that one class of 30 remain on East Road for years 1 – 6, with one class of 30 moving to the Haydons Road site for years 1 – 6. From Year One children will be allocated to a class according to where they will do best educationally. The Governors of Aided schools are responsible for the admissions arrangements but are required to consult the Local Education Authority before and when changes are made.

In September 2018 the Governors will be admitting 60 pupils into the Reception Classes. This admission limit is agreed between the Governors and the London Borough of Merton.

The school is part of the locally agreed co-ordination scheme and the timescales for applications to be received and processed are those agreed with the local authority. Parents must complete the Local Authority's Common Application Form (CAF) and return the form to the authority; if applying for a place at this school, parents must name this school as one of the preferences on the CAF. Parents who wish to apply for a foundation place must also complete the school's supplementary form and return this to the school.

(A) Foundation Places

The Governors have designated 20 places as Foundation Places for **2018/19** to be offered to pupils whose parents or guardians are faithful and regular worshippers in a Christian Church, giving priority to those who attend the Church of All Saints' South Wimbledon.

If there are more than 20 qualified applicants, places will be allocated according to the following criteria, which are stated in order of priority:

- (1) Looked after children or previously looked after children.
See Note (1)
- (2) Children with an exceptional and professionally supported medical or social need for a place at this school (as defined in (J) below).
- (3) Children whose parents or guardians are faithful and regular worshippers in the Church of All Saints', South Wimbledon.
- (4) Children whose parents or guardians are faithful and regular worshippers at other Christian Churches. See note (2)

- (5) The presence of a sibling in the school at the time of application.
See note (3)
- (6) The nearness of the home to the school at the expected time of admission,
See note (4)

Applicants for Foundation Places will be required to provide a Minister's reference and to complete the school's supplementary form. See note (5)

If there are fewer applicants for Foundation Places, any unfilled places will become additional open places. Unsuccessful applicants for Foundation Places will automatically be considered equally as applicants for Open Places.

(B) Open Places

The Governors have designated 40 places as Open Places in **2018/19**, to be offered to pupils who do not qualify for a Foundation Place but whose parents or guardians have chosen All Saints' school for the type of education it provides. Parents or guardians applying for a place do so knowing that the school aims to provide an education based on Christian principles and teachings and therefore the governors hope that all pupils will take part in the Christian worship of the school and will attend religious lessons.

If there are more applicants than places available, places will be offered strictly according to the following criteria, which are stated in order of priority:

- (1) Looked after children or previously looked after children. Proof must be provided.
See note (1)
- (2) Children with an exceptional and professionally supported medical or social need for a place at this school (as defined in (J) below).
- (3) The presence of a sibling (see note 3) in the school at the time of application.
- (4) The nearness of the home to the school at the time of admission. (see note 4)

(C) Tie Breaker

In the event that two or more applicants have equal right to a place under any of the above criteria, the Governors will apply the subsequent criteria, in order of priority, to these applicants. If applicants live equidistant from the school the Governing Body will draw lots to decide between applicants

(D) Late Applications

The Governors will consider late applications in accordance with procedure in the local authority's admission booklet. In essence, this means that late applicants will be considered after the initial round of offers is made; where the school is oversubscribed this is likely to reduce considerably your chance of gaining a place.

(E) Waiting Lists

The school operates a waiting list, which is ordered in accordance with the admission criteria. The waiting list is held until the end of the autumn term. Parents may request in writing to join the waiting list. If an application is received and a child is added to the waiting list, the list will be re-ranked in accordance with the over-subscription criteria.

(F) Nursery Places

The Governors will apply these oversubscription criteria in allocating places in the Nursery Class. The number of termly places may vary, but the same ratio of Foundation Places to Open Places will be used.

(G) Appeals Procedure

Unsuccessful applicants will have the right of appeal against the decision of the Governors. Parents or governors wishing to appeal should obtain an appeal form from the school. The completed form should be sent to the Clerk to the Appeal Committee, care of the school within 20 school days of the letter confirming the governors' decision not to offer a place.

The Headteacher will forward the appeal to the clerk of the Independent Appeals Committee.

The Committee will meet to review the appeal on a date fixed by the clerk. The parents and a representative of the Governors will be invited to attend. The decision of the Appeals Committee is final and binding on both parents and governors.

Please note there is no right of appeal against the Governors' allocation of Nursery places.

(H) Pupils with special needs and physical disabilities

The school does not have any specific units or facilities for pupils with particular special needs and there are no specific facilities apart from a disabled toilet for pupils with physical disabilities. The school is however on a level site and all the accommodation is on one floor. Ramps give access both to the building and to the playground. All classrooms may be entered without steps. As far as possible the school will ensure that pupils with disabilities have access to the same opportunities as other pupils.

Parents of pupils who have a statement of special educational needs are required to apply for school places separately through the local authority from whom advice is available. If a child with a statement is placed in the school by the local authority before the normal admission round, the number of places available to other applicants will be reduced.

(J) Children with an exceptional and professionally supported medical or social need for a place at this school.

The governors may offer places to children with acute medical or social needs, which All Saints' may satisfy. The application must be supported by written evidence at the time of application e.g., from a specialist health professional, social worker or other care professional, which sets out the reasons why this school is the most suitable school and the difficulties that would be caused if the child had to attend another school.

The application must include Form 1 : Admission to school - exceptional medical grounds, which can be obtained from the Local Authority.

(K) In-Year admissions.

The Governing body is responsible for in-year admissions to this school. Parents / carers wishing to apply in-year must complete an application form and return it to this school.

(L) Withdrawing offers.

An offer will only be withdrawn if it has been offered in error, a parent has not responded within a reasonable period of time (though a further opportunity will be given), or it is established that the offer was obtained through a fraudulent or misleading application.

(L) Deferred entry

The School admits children to the reception class in the September of the school year in which a child attains the age of 5 years. (The school year runs from 1 September to the 31st August.) All parents/carers are entitled to a full-time place for their child in the reception class from September, but may defer entry until the beginning of the term after their child is five years old (ie when the child reaches compulsory school age) or until the beginning of the summer term whichever is earlier. Children may attend part-time until their child reaches compulsory school age. Parents/carers who have been offered a place at the School and wish to defer entry for their child and/or attend part-time must put this in writing to the headteacher at the earliest opportunity and before the start of the autumn term.

(M) Education out of normal (chronological) age group.

Children are normally educated in school with others of their age group; however, in exceptional circumstances parents / careers may seek a place outside of their child's normal age group. Decisions will be made on the basis of the circumstances of each case. Parents / carers must state clearly why they feel admission to a different year group is in the child's best interests and may provide recent professional evidence to support this. Further details of how to make such a request are available from the school.

Notes.

1. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social service functions (see definition in section 22(1) of the Children's Act 1989.) A previously looked after child is a child who was adopted, or subject to a residence order, or a special guardianship order, immediately following having been looked after.
The Governors will require written confirmation that this is the case.
2. A Christian Church is one that is a member of Churches Together in Britain and Ireland.
3. A sibling means a brother or sister, half or step-brother or sister or a foster or adopted child living at the same address.
4. Distances will be measured in a straight line from the child's home address, with those living closer to the school receiving the higher priority. All distances will be measured by the computerised Geographical Information System maintained by Merton Admissions team. It should be noted that the computerised system measures from a start point plotted within the property at which the applicant lives to the point in Deburgh Road which is equidistant between the schools' two sites, as measured from the entrances in Haydons Road and Hanover Road.
Proof of address must be provided.

Where parents have shared responsibility but live apart, the address of the parent who looks after the child for the majority of the week will be used as the measure. If there is a genuine equal share custody arrangement between the two parents, the address that will be used will normally be the address of the parent who is claiming Child Benefit for the child.
5. Parents or guardians who attend church once a month in the year before application will be regarded as faithful and regular worshippers.
